By signing below you agree to the following terms:

AWU Authorized Irrigation Inspector status is valid for a period of three years from the date of authorization provided that the Licensed Irrigation Inspector also maintains licensing with the Texas Commission on Environmental Quality.

Renewal of AWU Authorized Irrigation Inspector status will require the submittal of a new application along with documentation of a current Irrigation Inspector license from the Texas Commission on Environmental Quality and documentation of successful completion of the Director-approved landscape irrigation course within the preceding six (6) months.

An AWU Authorized Irrigation Inspector status awarded by Austin Water may be revoked by the Director upon official determination of any violation of state irrigator licensing requirements as set forth in Title 30, Texas Administrative Code Chapter 344, Rules for Landscape Irrigation.

An AWU Authorized Irrigation Inspector status awarded by Austin Water may be terminated at any time upon request by the applicant.

Austin Water may deny a request to assert certified irrigator status if the Director finds that the information provided by the applicant is incorrect or incomplete.

An AWU Authorized Irrigation Inspector shall adhere to all regulations set forth in Austin City Code Chapter 6-4 while employed to inspect irrigation systems as part of a Commercial Facility Irrigation Assessment.
